

# Israel Bukunmi Akintoye

## AI & Shopify Expert

israelbukunmi1@gmail.com · github.com/israelbukunmi1-cmyk · linkedin.com/in/akintoye-israel-4190033aa · wa.me/2347030194497

I build AI agents and Shopify stores that help businesses capture leads, answer customers, and sell online. Experienced with chatbots, voice agents, and end-to-end automation, plus Shopify development, theme customization, and dropshipping.

## EDUCATION

**B.Eng. Mining Engineering** | Federal University of Technology, Akure (FUTA)  
2024 – 2029

## EXPERIENCE

**AI Receptionist Developer** | Freelance (Clinic Client)  
July 2026 – Present

- Built and deployed an AI-powered virtual receptionist for a medical clinic to handle inbound calls, appointment booking, and common patient FAQs
- Reduced missed calls and staff workload by automating routine front-desk conversations
- Configured call flows and integrations to route urgent or complex queries to human staff when needed

**Cold Calling Specialist / AI Outreach Developer** | [Company name]  
August 2026 – Present

- Conducted outbound cold calls to generate leads for [product/service], handling objections and booking follow-ups
- Built an automated cold-calling/dialer system to streamline outbound lead generation for the company
- [Add a number if you have one: calls made per day/week, leads generated, conversion rate]

**Shopify Developer** | Hollux Gadget  
June 2026 – Present

- Built and launched a custom Shopify store for Hollux Gadget, including theme setup, product catalog, and payment integration
- Configured the store for a smooth end-to-end shopping experience from product discovery to checkout
- [Add if true: delivered ahead of schedule / handled X products / integrated specific apps]

## FEATURED PROJECTS

**[Project Name — AI Chatbot / Voice Agent]** | [Live demo link · Source link]  
[Date]

- [What it does — who it is for]
- [Tech stack and notable implementation detail]
- [Result / metric if available]

**[Project Name — Shopify Store]** | [Store URL]  
[Date]

- [Niche and products]
- [Marketing / conversion work done]
- [Result / metric if available]
